Graphic Designer

I am Hamna Iqbal, a passionate graphic designer with experience working with diverse clients. I specialize in creating visually compelling content that aligns with strategic business goals. With professional experience at Neben Solutions, I have honed my skills in various design software and tools.

My collaborative approach ensures client satisfaction and exceptional results.

I am always eager to take on new challenges and bring innovative design solutions to life.

EXPERIENCES

Jaz Home Furniture • Al Ain , United Arab Emirates (Remote) • 06/2023 — 08/2024

Graphic Designer

I created Eye Catching Social Media designs for their Brand

- My Client was satisfied with my services

Neben Solutions • Dubai, United Arab Emirates • 11/2023 — 07/2024

graphic designer

Collaborated with the team to create visually appealing and effective design materials. Worked on a variety of graphic design projects, including banners, flyers, and social media posts.

Maintained brand consistency across all designs to meet client expectations.

Delivered creative solutions under tight deadlines, ensuring timely project completion.

Gained experience in communicating with clients and incorporating feedback into designs.

- UAE-based technology company, for six months. During this time, I created diverse and compelling visual content aligned with strategic business goals.
